

Home-based work opportunities on online platforms and gender equity in Cambodia and Thailand

Hue-Tam Jamme
Asst Professor
School of Geographical
Sciences & Urban Planning
Arizona State University

Synopsis

The platform economy provides new business opportunities for women to work from home. How do these relate to women's capabilities and empowerment in Southeast Asia? This research draws on a comparative case study in Thailand and Cambodia.

Lunch will be provided for in-person attendees. RSVP before Feb 22th.
